Please note that a late charge of \$25 may be applied to the account if payment is not received by the 15<sup>th</sup> of the month. If a tuition account becomes 60 days delinquent, the child or children may be removed from the school until the delinquent amount is paid in full or arrangements are made to pay. If arrangements are made and the agreed upon arrangements are broken, the child or children will be removed from the school. In addition, report cards and/or transcripts may be withheld until full payment is rendered.

After school care fees: Please note that our after-school program is designed to provide a safe place for your child to accommodate schedules between school and home. We ask that you respectfully pick your child up on time. After the first incident of late pick up, a fee of \$1 per minute will be incurred for each daily incidence thereafter.

Tuition due and payable is calculated based on the percent of the school year completed, regardless of the payment plan selected. If there is an outstanding tuition balance, transcripts and final report cards will be held until all payments have been reconciled.
